THE WEST'S PREMIERE
FIREARMS DESTINATION

SHOOT YOUR WAY THROUGH GUNSLINGER CANYON

Unlike anything else in the country, this exclusive PrairieFire experience captures the nostalgic feel of the wild west and the adrenaline rush of legendary gunslingers. Run & gun your way through a real-life desert canyon, making split second decisions at every twist and turn.

“Gunslinger Canyon” is an unforgettable bucket list-style adventure for sharpshooters and novices, alike.

Within the shooting community, few feats are as revered as the One-Mile Shot. This long-range rifle course is led by a World Champion coach who will show you how to shoot accurately and efficiently out to 1,760 yards – that’s more than 17 football fields long! Queue the spotter and you’re ready to put your new skills to the test.
